

Congratulations Angie

Congratulations to Angie Humphries winner of an ATMS Simon Schot Scholarship!

USH Diploma of Remedial Masage, student Angie Humphrey was the lucky recipient of one of ten annual \$ 1000 scholarships provided by the Australian Traditional Medicine Society (ATMS) to its members for further education in Complementary @ Alternative Medicine (CAM).

Angie completed Certificate IV Massage at the Unity School of Healing in 2005 and spent the following year getting her and partners Adam Humphrey (who also completed HLT40302 with Angie at USH in 2005) mobile massage business off the ground before commencing their Diploma in 2007.

This has been a welcome blessing to them while they both undertake their further Diploma studies and has enabled Adam to retire from his " other" job and concentrate on their Mobile Massage business.

This is an example of the wonderful benefits of belonging to the ATMS!
As an ATMS accredited college, all graduates of USH are automatically eligible to join ATMS and apply for a Simon Schot Scholarship.
